Dear Judge Koh,

Wanted to forward to you that Los Angeles Area Enumerators are also being forced to hand in our equipment rather than continuing to work through the end of October per your order.

Thank you for continuing to fight the jerk Wilbur Ross.

Best wishes,

—Chris Burns

Hello,

The instructions were sent out to CFSs to ask enumerators to turn in their stuff. If you supervisor did, you have to follow instructions.

Nobody wants to do this, but we all new we would have to do it.

We really appreciate all your work

Thanks

Hi Citlali,

Thanks for the email and hope you are well. As my CFS is wrapping up on Monday, am I supposed to turn in my cell phone and bag and badge and then recollect it if sent out? Or should I hang on for a while yet, and then turn in my phone, bag, badge at a later date at the main office?

Best wishes,

Hi Citlali,
I am an Enumerator from the Woodland Hills office who was on the travel team in Henderson NV from Sept 8 - Oct 2. I would be interested in traveling by car to either Montana or Window Rock AZ.
Best wishes,
